[†] Principals and staff include individuals who have served as prominent employees of the group or as members of its board of directors. For large organizations, lists were edited to exclude employees, aside from members of the board of directors, who did not appear involved in the group's electoral activities. Individuals' known affiliations with other politically oriented organizations are also included in the *New Stealth PACs* database.

[‡] This table consists of individuals who appear to have worked in advisory roles or as independent contractors for the organization. These individuals' known affiliations with other politically oriented organizations are also included in the *New Stealth PACs* database.
